

Yolo County Library

Selected Resources on Prostate Health

Databases:

General Reference Center Gold.

<http://www.yolocountylibrary.org>

Click on Databases, General Reference Center Gold. In the Keyword Search Box, type prostate. Narrow your results to Academic Journals, Books, or News. Limit results by clicking related subjects such as pharmaceutical industry, cancer treatment or cancer research. You may also narrow down your search to articles in the past year. Not all articles are full text. Click print, email or download on the right side of the screen. Listen is also an option.

Internet: <http://www.yolocountylibrary.org>

Click on Library Services, Web Links, Health Information. Most sites are selected from government and non-profit agencies, professional associations and academic. Information found on these sites is not intended to replace advice from physicians or health care professionals.

Local Organizations:
